COONARA WARRANTY

All current Coonara gas heaters are warranted to be free from defects in material and workmanship under normal use and service. The warranty of the heater is **2 years** unconditional – to the initial purchaser. The heat exchanger is warranted for **10 years**, parts only. All other components are warranted for a period of **2 years**. Coonara gas fires are designed and tested for use with Coonara manufactured flue kits. The warranty contains benefits in addition to all other specific legal rights and remedies which the purchaser may have under statute.

***IMPORTANT:** Heating areas provided are based on open plan living areas and 2.4 metre ceiling height. Note: Lack of insulation, large window areas and cathedral ceilings reduce heating effectiveness.
